# Notes & Reminders

## Day of Prayer & Fasting - Wednesday, January 6

January is Sanctity of Human Life Month, a time to emphasize the value God places on every human life, from those still inside the womb to those nearing the end of their time on this earth.

Join us this Wednesday in fasting and praying for our society to recognize the worth of the not-yet-born child and to turn from the evil of promoting and supporting abortion. Pray that God would raise up foster and adoptive families and that Christians would actively support the needs and sacrifices these families make. Finally, pray for those nearing life's end as well as those who care for them, that they would experience the peace of Christ and the care of the community around them.
